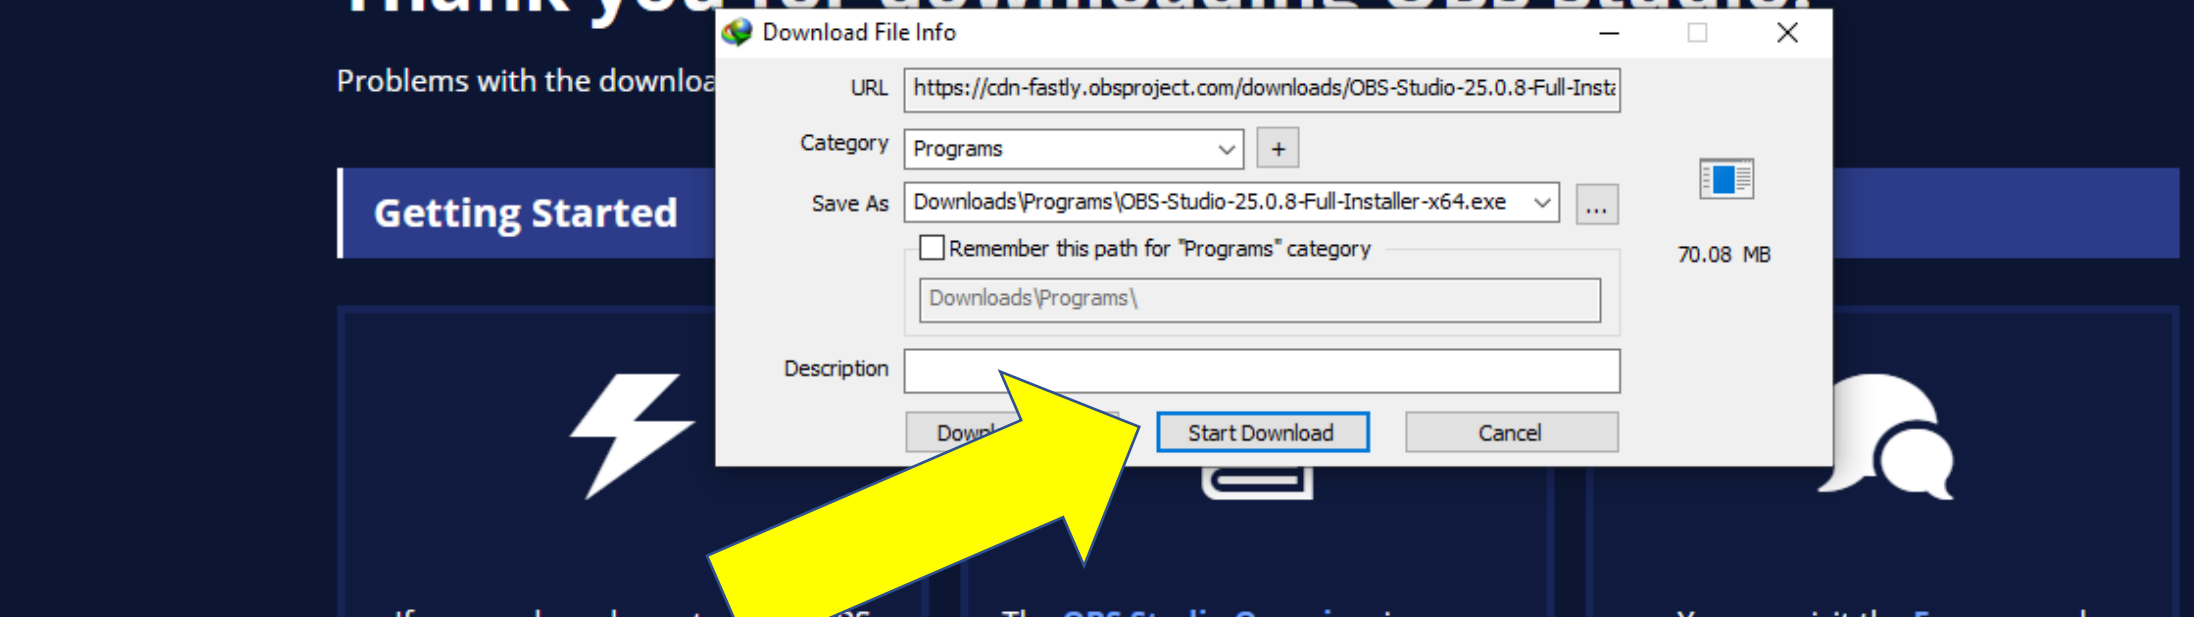
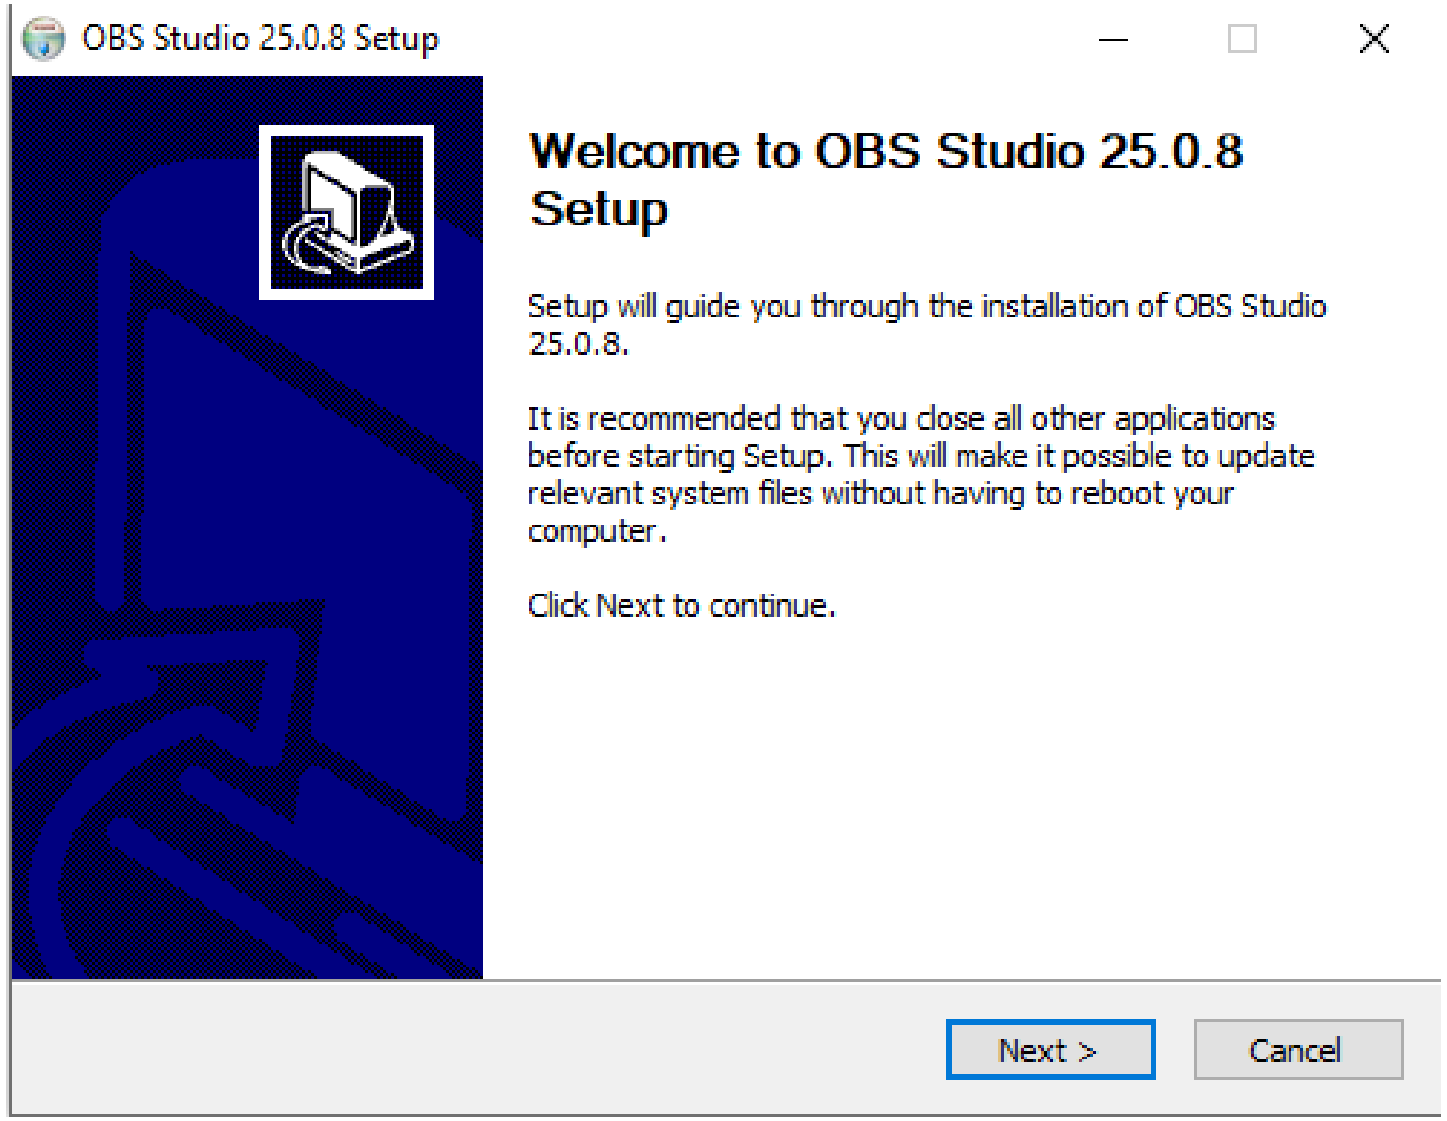
Getting Started



If you are brand new to [illegible] OBS please check out the **OBS Studio Quickstart Guide**. It can get you up and running in 4 easy steps!

The **OBS Studio Overview** is a more detailed breakdown of the features in OBS Studio for new and veteran users alike.

You can visit the **Forums** and **Community Discord** with any questions or issues you have.



OBS Studio 25.0.8 Setup
Welcome to OBS Studio 25.0.8 Setup
Setup will guide you through the installation of OBS Studio 25.0.8.
It is recommended that you close all other applications before starting Setup. This will make it possible to update relevant system files without having to reboot your computer.
Click Next to continue.
